

# CLEAN WATER ACT DOCUMENT

- **Document jointly prepared by SCCWRP staff and CTAG**
  - Intended to address your desire for documents that are more easily shared with your supervisors than our typical technical documents
- **Provided you with an early draft at your last meeting**
  - Have since added perspective pieces
  - Added two new boxes based on your suggestions
  - Formatted it for the first time
- **Intention is to release the document on October 18**
  - This will be your last meeting before its release
- **Three items for discussion today**
  - Changes we plan to make
  - Timing and remaining opportunities for your feedback
  - Rollout strategy

# CHANGES REMAINING TO BE MADE

- **Additional graphic design**
  - Enhance cover design
  - Enlarge labels on all graphs to match first chapter
- **Respond to additional feedback**
  - This is the first time CTAG has seen it in layout form
  - Have already received editorial revisions from several people
  - Your feedback
- **Glossary?**

# TIMING

- **Desired release date: Oct 18**
  - 40 years after passage of the Clean Water Act
- **Want it printed for distribution a week prior**
  - Needs to be at the printer by the first week in October
- **Would like any remaining comments in the next week**

# ROLLOUT STRATEGY

- **Our regular report avenues**
  - Distribute via website, existing mailing lists
- **SCCWRP presentations**
  - SETAC meeting in November
  - CASQA meeting in November
- **Support presentations you are making**
  - Council for Watershed Health
  - Others?
- **Other CWA or water-related events**
  - My Clean Water Act
- **Press release**
  - SCCWRP does not typically do press releases, but our members do
  - Would you be interested in doing one?
