CTAG Report: April-June 2021

Key Topics
1) Administrative
2) Annual CTAG Thematic Prioritization
3) Uncertainty Analysis: Webinars and Workshop
4) Risk Assessment as a Research Theme
Administrative

• Changes in CTAG

• CTAG recommends approval
  • Contract
  • FY 2021-2022 Research Plan

• Future Meetings
  • CTAG
  • Symposium
  • Intercessional
## CTAG Thematic Prioritization

Uncertainty Analysis: Webinars and Workshop

• CTAG expressed interest in understanding uncertainty analyses in modeling (ROMS-BEC)

• Organizing committee: SCCWRP, SFEI, CTAG

• 4 Webinars: April - May, 2021

• Workshop: May 28th, 2021
Exploring Risk Assessment as a Research Theme

- **CTAG agreed to form a subcommittee**

- **1st meeting (4/5/2021)**
  - Discuss outcome/goals, concerns, next steps

- **2nd Meeting (6/9/2021)**
  - Updated framework
  - Provided case study
  - SCCWRP will develop detailed approach and report back in Fall
