

## SCCWRP Presentations in 1990-91 and 1991-92

### **Steven M. Bay**

Effects of H<sub>2</sub>S in Sediment on the Urchin *Lytechinus pictus*. 11th Annual Meeting of the Society of Environmental Toxicology and Chemistry, Arlington, VA. November 1990.

Status and Applications of Echinoderm Toxicity Test Methods. 1st ASTM symposium on Environmental Toxicology and Risk Assessment, Atlantic City, NJ. April 1991.

Assessment of Sediment Toxicity near Sewage Outfalls. Annual Conference of the California Water Pollution Control Association, Pasadena, CA. April 1991.

The Toxicity of Ballona Creek Runoff to Marine Animals. Annual Meeting of the Southern California Academy of Sciences, Los Angeles, CA. May 1991.

Evaluation of Chronic Sediment Toxicology Test Methods Using the Brittlestar, *Amphiodia urtica*. 12th Annual Meeting of the Society of Environmental Toxicology and Chemistry, Seattle, WA. November 1991.

Seasonality and Relative Sensitivity of the Purple Sea Urchin Sperm Test. 12th Annual Meeting of the Society of Environmental Toxicology and Chemistry, Seattle, WA. November 1991.

Priorities for Improvement of Aquatic Toxicity Assessment Methods. 2nd Annual Meeting of the Northern California Regional Chapter of the Society of Environmental Toxicology and Chemistry, Oakland, CA. May 1992.

### **Jeffrey N. Cross**

Estimates of Contaminant Inputs to the Southern California Bight from surface runoff. 11th Annual Meeting of the Society of Environmental Toxicology and Chemistry, Arlington, VA. November 1990.

Urban Wastes in the Marine Environment. Young Scholars Ocean Science Institute, California State University, Long Beach, CA. July 1991.

Sources and Fates of Anthropogenic Wastes in the Coastal Marine Ecosystem. Graduate Center for Public Policy and Administration, California State University, Long Beach, CA. October 1991.

Contaminant Levels in Fishes in the Southern California Bight. Pacific Fisheries Legislative Task Force, Los Angeles, CA. March 1992.

Earth Day, Cabrillo Marine Museum, San Pedro, CA. April 1992.

### **Bruce E. Thompson**

Understanding Sediment Toxicity off Southern California. 17th Annual Aquatic Toxicity Workshop, Vancouver, B.C., Canada. November 1990.

Understanding Sediment Toxicity off Southern California. Scripps Institution of Oceanography, Marine Biology Seminar, La Jolla, CA. April 1991.

Assessment of Monitoring and Data Management Needs in Santa Monica Bay. U.S. Environmental Protection Agency, 3rd National Coastal Programs Conference, San Diego, CA. May 1991.

Recovery of Santa Monica Bay from Sludge Discharge. Civil Engineering Department Seminar, University of California, Irvine, CA. October 1991.
