INTERSESSIONAL PROGRESS UPDATE

- CTAG Intersessional Meetings
 - Research Theme Review
 - Microbiology scheduled for 1/29/2019
 - Still need Bioassessment and Nutrients
 - New Research Theme – BMP Effectiveness
 - Meeting held on 10/4/2018
 - SCCWRP will prepare a Research Theme Document

DISCUSSION ON CTAG RESEARCH PRIORITIZATION

- BMP Effectiveness “made the cut”
- “No” for Wetlands and a qualified “no” for Trash and Debris
 - Future CTAG agenda item to identify specific Trash and Debris projects to see if they can be reallocated to other themes
 - Microplastics to CECs
 - Trash to BMP Effectiveness
